

Wrocław, 23.03.2018 r.

Certificate

Mr Yurii PAPAİKA

Attend successfully the scientific workshop about
“Electromagnetic Compatibility at Power Supply Systems”
At the Wrocław University of Science and Technology
from 12th March to 25th March 2018.

Workshop program:

EN 50160 overview.

EMC Directive. Requirements and standardisation, overview generic standards.

Programming power quality analysers.

Testing for immunity to conducted disturbances in the frequency range up to
150kHz.

Power Line Communication.

Emission test setup for Harmonics and flicker.

Practical measurements, analysis and evaluation of measuring results.

Attending lectures from electromagnetic compatibility and power quality.
